

AFRICAN MANTUNGWA COMMUNITY (AMC)

VOTE VOTELA AMANTUNGWA! - NAC

MANIFESTO 2026 - 2031 | BUILDING PROGRESS • UNITY • COMMUNITY GROWTH

Together we grow • Together we thrive • Your voice matters

1. WHO WE ARE

The African Mantungwa Community (AMC), contesting under the banner NAC, is a community-rooted movement born from Bantwana Baka Mbulazi. We are not a distant party — we are your neighbours, your youth, your mothers and fathers. Our logo — the upward arrow inside NAC, exactly as on our posters — means we refuse to go backwards. It represents growth from the ground up, built by our

own hands.

2. OUR VISION

- **100% functional water access within 200m**
- **Formalization and upgrading of informal housing**
- **50% reduction in crime through community safety**
- **Transparent community budget**

3. PILLAR ONE: WATER - AMANZI AWETHU

- **Fix & Maintain:** Audit all taps, pipes and Jojo tanks in 100 days. Create a Ward Water Maintenance Team with 10 local youth trained as plumbers.
- **New Infrastructure:** 20 new communal standpipes with solar-powered boreholes. Every household to have piped water by 2029.
- **Clean & Safe:** Monthly water quality testing published on WhatsApp 083 694 6551. Provide filters to vulnerable households.
- **No Water Shedding:** Negotiate equitable allocation; install 5 x 10,000L reserve tanks.
- **Community Ownership:** Each water point has a Water Committee — elected mothers who monitor and report faults.

4. PILLAR TWO: HOUSING - INDLELA YETHU

- **Land & Tenure Security:** Push for township establishment and title deeds. No evictions without alternative. Issue AMC Proof of Residence in 60 days.
- **Upgrading, Not Removing:** Building materials subsidy, cement, roofing and ventilation kits. Build 100 improved homes per year with TVET students.
- **Basic Services:** Every stand gets ventilated toilet/sanitation, legal electricity, weekly refuse, storm-water drainage.
- **Youth Housing Co-op:** Young people build homes and earn ownership while learning skills.
- **Emergency Shelter Fund:** Temporary structure within 72 hours for fire/flood victims.

5. PILLAR THREE: SAFETY - UKUPHEPHA KWETHU

- **Community Safety Patrollers:** 30 vetted Safety Officers (2 per section), linked to SAPS/CPF, with radios and solar light monitoring.
- **Light Up Amantungwa:** 150 solar streetlights in Year 1 around dark spots, alleys, water points, schools.
- **GBV Zero Tolerance:** 24-hour Safe Room and counselling via WhatsApp. Fast-track cases with Thuthuzela Centre.
- **Youth Against Crime:** Sports, arts and skills after-school program 15h00-18h00 daily for Bantwana Baka Mbulazi.
- **Drug & Alcohol Free Zones:** Schools and water points declared safe zones.

6. ACCOUNTABILITY

70% local hiring rule, CV workshop every Friday, homework centre, uniform bank, 50 bursaries per year, quarterly public financial reports on notice boards and WhatsApp. No corruption.
