

FOUNDATION

OUR PRIORITIES

Key Priorities & Objectives

MUCM exists to:

1. Effective Local Government

Provide effective local government representation in the Makana municipal district.

2. Essential Services

Restore and maintain water, electricity, sanitation and refuse removal.

3. Infrastructure

Rehabilitate and maintain roads, public buildings and utilities.

4. Economic Development & Jobs

Promote economic development and job creation within Makana.

5. Responsible Public Finances

Ensure transparent and accountable financial management of municipal resources.

6. Education

Foster educational excellence and support Rhodes University and local schools.

7. Safety & Security

Promote public safety and community security.

8. Environment

Protect and enhance the environment for current and future generations.

9. Good Governance

Combat corruption, maladministration and abuse of power.

10. Human Dignity & Equality

Advance human dignity, equality and freedom in every area of governance.

Clean Audits.
Clean Water.
Clean Streets.

Three simple priorities. Better services, responsible public finances and a community that works.

Clean Audits

Clean Water

Clean Streets

CLEAN AUDITS

Transparent and accountable management of municipal finances.

CLEAN WATER

Reliable access to safe and adequate water for residents.

CLEAN STREETS

Properly maintained roads, reliable refuse collection and cleaner public spaces.

Commitment to Basic Services (Minimum Standards)

- ◆ At least 25 litres of safe drinking water, free, per person per day.
- ◆ 50 kWh of electricity, free, per indigent household per month.
- ◆ Regular refuse collection to all areas, with recycling and waste-reduction programmes.
- ◆ High-speed internet connectivity and public Wi-Fi in public facilities across the municipality.
- ◆ Adequate housing and protection from arbitrary eviction.

OUR PLATFORM

WHAT WE STAND FOR

**WATER:**

Ensure that clean and safe water is available every day.

**TOILETS:**

Remove the buckets and provide proper sanitation facilities.

**CLEANLINESS:**

Waste must be collected regularly and consistently.

**ROADS:**

Roads must be repaired and maintained.

**LOCAL ECONOMIC DEVELOPMENT:**

Preference for jobs and business opportunities for locals first.

**RESPONSIBLE USE OF PUBLIC FUNDS:**

Public money must be used responsibly and for projects that benefit the community.

CORRUPTION:

Down with corruption. All matters must be handled lawfully and transparently.

CRIME AND VIOLENCE:

Effective anti-crime measures must be implemented.

ELECTRICITY:

Makana must be lit and have reliable electricity.

LET US RISE AND REBUILD OUR TOWN:

Let us work together to restore and improve our town.

EDUCATION AND SPORTS:

Improve access to education and develop sports opportunities for our communities.

HOUSING:

All houses must be in proper and suitable condition.
