

RESTORATIONS A

ELECTION MANIFESTO 2026

COMMUNITY FIRST, PROGRESS ALWAYS

Our focus is on restoring our towns, reliable basic services, local economic opportunities and accountable municipal governance.

BASIC SERVICES ARE A RIGHT, NOT A POLITICAL FAVOUR

RestorationSA emphasises that access to basic services, such as water, sanitation and other essential municipal services, is protected within the framework of the Constitution and applicable legislation. These services must not be presented as political favours or election promises to gain residents' support. Every municipality has a responsibility to deliver basic services fairly, sustainably and without political discrimination. **Basic service delivery is a public duty, not a political reward.**

PILLAR 1. INFRASTRUCTURE, WATER, SEWERAGE AND ROADS

PILLAR 4. CHILDREN, YOUTH, SPORT AND PARKS

Develop safe playgrounds; build and restore sports fields, recreational facilities and community halls. Support sports clubs, youth programmes and talent development.

PILLAR 5. HOUSING, SAFETY AND CLEAN NEIGHBOURHOODS

Promote fair housing allocations and proper residential planning. Improve refuse collection, street lighting, safety and maintenance of public spaces and cemeteries.

PILLAR 6. SIU INVESTIGATIONS AND ACCOUNTABILITY

Request lawful Special Investigating Unit (SIU) investigations where evidence warrants them. Investigate possible corruption, irregular tenders and the conduct of both current and former officials. Support recovery of unlawfully spent public funds.

PILLAR 7. COMMUNITY-CENTRED SERVICE DELIVERY

Hold regular ward meetings, provide feedback on complaints and make budgets and repair projects transparent. Set measurable service standards and involve residents in decisions.

OUR TOWNS DESERVE RESTORATION. OUR PEOPLE DESERVE DIGNITY. OUR CHILDREN DESERVE A FUTURE.
