

SAKK MILITARY VETERANS PARTY

EST. 2024

MANIFESTO

- Striving to make the Gospel an integral part of the educational development for every child, starting at home.
- Addressing the discrimination, oppression, marginalization, and inequality experienced by SAKK Military veterans, the First Indigenous People of South Africa (FIPSA), and the broader community which is a crucial step towards justice and equality.
- Ensure that our municipalities operate with integrity, transparency, and good governance which is vital in eradicating corruption and enhancing public trust within the Municipalities.
- Ensuring a safe, secure and stabilized environment which is imperative for the health and safety of all SAKK Military Veterans, the First Indigenous People of South Africa (FIPSA) and broader community.
- Focusing on lowering the unemployment rate amongst the youth, SAKK Military Veterans, the First Indigenous People of South Africa (FIPSA) and broader community.
- Ensure adequate basic municipal services, to the broader community.
- Addressing the current inequality management systems within the municipalities for it is crucial to create equitable job and small business opportunities for the broader community.
- To ensure proper access to essential health care services and promote the development of sports, arts and culture for the broader community within the municipality areas.
- Ensure renewal of infrastructure to effectively eradicate water shortages in municipal areas.
